

**Use nicknames as ID instead of real names, e.g. Top Rookie instead of Abdul Hamid**

**Never provide personal information that is sensitive**

**When using a public computer, key in your ID and password manually**

**Do not meet a stranger that you met on internet chat**

**Only open or download files from people you know**

# **SAFETY ON INTERNET CHAT**

Let's Make  
The Internet  
A Safer Place
